AN ART SALE FUNDRAISER FOR MAINE MEDIA WORKSHOPS + COLLEGE

JUNE 24, 2015 | BREWSTER POINT BARN, ROCKPORT

VIP RECEPTION 5:30-6:30PM | MAIN EVENT 6:30-7:30PM

This summer, friends of Maine Media Workshops + College, local artists, and community members will gather in Rockport to celebrate the spirit of creative collaboration that is at the heart of everything we do.

Originally enjoyed as a parlor game by French Surrealists in the early 1920s, exquisite corpse is a collaborative artistic process that celebrates the unexpected. In most forms of the game, only a portion of what one artist has created is visible to the others, resulting in unusual, surprising, and unpredictably kinetic creations.

We have invited our own community of world-renowned artists to collaborate with each other and with other local artists representing a diverse range of visual arts. These unique works of art will be sold at the event, where our guests will also be treated to equally delectable pairings of food and drink.

The Exquisite Corpse fundraiser will bring artists together in several ways:

**The Exquisite Corpse Workshop:** MMW+C is providing a special weeklong workshop to a select and diverse group of invited artists. Led by noted photographer Sean Kernan, the workshop will allow participants to collaborate, experiment, and explore their art through fresh eyes. The workshop is free for the invitees, and in return each will donate a piece of artwork from the week to MMW+C to sell at the event.

**The Exquisite Corpse Book:** MMW+C has invited all of its friends to participate in a collaborative game that creates a visual narrative one image at a time. Conducted by exchanging images via email, the full imaginative thread is revealed when the images are put together, in order, in book form. The books will be sold at the event, on our website, and in our Rockport and Portland Galleries.

**The Exquisite Corpse Film Project:** MMW+C has invited a select group of its film faculty and alumni to participate in a fast and furious film project that will be screened at the event. With each participant continuing a narrative started by one of our screenwriting faculty, the final film will be a thread of 15-second clips that is sure to be both entertaining and surprising!

**VIP Reception:** The event will also feature special pairings of food and drink, available exclusively to sponsors and VIP ticket holders during the VIP Reception, held from 5:30-6:30PM. Guests attending the VIP Reception will also enjoy a preview of the art for sale as well as an opportunity for early purchase of select pieces.
EXQUISITE CORPSE SPONSORSHIP OPPORTUNITIES

We welcome your support! Many of our sponsorship levels are named for prominent surrealists. We hope you will enjoy learning more about them. For more information about sponsorship opportunities, please contact Karin Leuthy at 207-236-8581 x335 or by email at kleuthy@mainemedia.edu
