

BEST. SUMMER. EVER.

Join the Next Generation of Creative Professionals

Enroll in our Young Artist workshops for high school students to perfect your media skills, build your creative resume, and find your expressive voice.

PHOTOGRAPHY

Young 4-Week Photo School JUN 21-JUL 18 | KARI WEHRS

Over four weeks, you'll explore and experiment with a range of photographic styles and techniques to develop your unique perspective and artistic practice.

Young Photographers in the Studio

JUN 21-JUL 4 | ANDY BLOXHAM

An advanced workshop for photographers looking to break into the commercial and editorial industry.

Young Digital Photographers

JUN 28-JUL 4 | 1 Week

AUG 9-15 | 1 Week

JUL 19-AUG 1 | 2 Weeks

Engage your creativity with this intense one or two-week immersion in digital photography.

Young Photographers Alternative Processes

JUL 5-18 | BRENTON HAMILTON

Learn to make hand made photographs in the darkroom. We'll work with 19th century processes: gum bichromate, salted paper and collodion as well as a large cyanotype mural on cloth.

Young Documentary Photography

JUL 5-18 | DANIEL KRAUS

Learn the process of documentary photography and make compelling pictures of intriguing people and places.

Young Scholastic Portfolio Development

JUL 7-AUG 1 | DEANNA WITMAN

Develop your portfolio with class discussion, fieldwork, and lab time.

Young Photographers in the Darkroom

JUL 19-25 | KONRAD EEK

Learn photography with a 35mm film camera, black & white film and silver prints.

Advanced Young Darkroom Photographers

JUL 26-AUG 1 | KONRAD EEK

Refine your personal vision and expand your knowledge of B&W darkroom techniques.

Advanced Young Digital Photographers

AUG 2-15 | MADELEINE MORLET

Refine your personal vision and expand your knowledge of B&W photography darkroom techniques.

FILMMAKING

Young Filmmakers

JUN 21-JUL 4 | JAMIE COMPANESCHI

A two week immersion course in the fundamental skills of filmmaking.

Young Documentary Filmmakers

JUN 21-JUL 4

TOM RYAN AND CAMILLE HOWARD

Immerse yourself in the exciting and growing world of the documentary.

Young Screenwriters

JUL 5-11 | WAYNE BEACH

Learn the fundamentals of screenwriting development while crafting your ideas into a script.

Young Cinematographers

JUL 5-11

A comprehensive introduction to the art of cinematography and visual storytelling for young filmmakers.

Young Editing & Post-Production

JUL 12-18

A comprehensive introduction to the editing process for young filmmakers.

Young Improv

JUL 12-18 | BECKY GOODMAN

Young Improvisers will go on a week-long journey of funny, culminating in a live group performance.

Young Camera in Action

JUL 12-18

This course is for young, emerging cinematographers and filmmakers looking to immerse themselves in the fundamentals of camera operation and movement.

Advanced Young Filmmakers

JUL 19-AUG 1 | TOM RYAN

During this fully immersive intensive, students delve deep into every facet of film production, story development, directing, cinematography, editing, lighting, and sound design.

Young Animators

JUL 19-25 | BRANDON SOARDS

Explore the history of animation using your own imagination, bringing your stories and characters to life.

Young Extreme Sports Filmmakers

AUG 2-8 | JASMINE QUIÑONES

Explore innovative ways to capture the intensity of athletes who put themselves at risk while safely producing your own film.

Young Game & World Design

AUG 2-15 | CHUCK CARTER

Learn the basics of game design and then build your own game.

MAINE MEDIA WORKSHOPS + COLLEGE

Young Cinematographers: Creative Lighting

AUG 9-15 | CHARLES HAINE

This workshop is for young, aspiring cinematographers and filmmakers who want to delve into a wide range of lighting techniques used in professional filmmaking.

WRITING

Young Comics & Graphic Storytellers

JUL 12-18 | LIZ PRINCE

Learn about comics with an award-winning graphic novelist.

Young Creative Writing: Finding Your Deep Voice

JUL 19-25 | KATHRIN SEITZ

Begin to identify your own voice and help your classmates identify theirs.

Young Poets

AUG 2-8 | KEVIN PILKINGTON

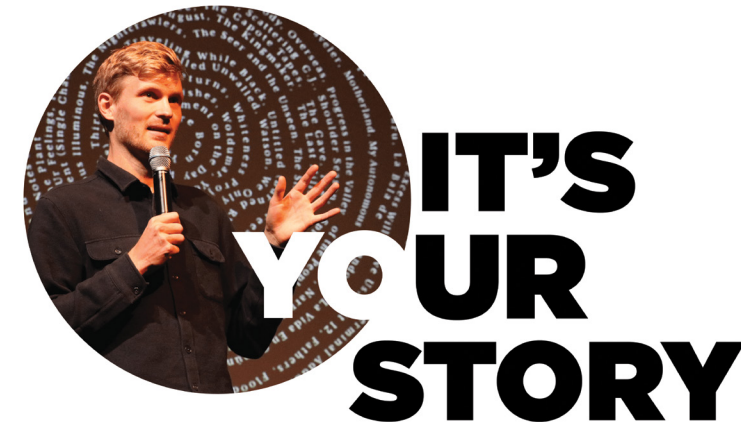

Become a stronger writer, analytical and critical thinker, and better communicator.

BOOK ARTS

Young Book Arts

AUG 9-15 | RICHARD REITZ SMITH

A book takes many forms. It is a mini exhibition. It is a sequence of time. It is a sculptural story. Let your hands create what your heart imagines.

“Maine Media is where I made my first documentary. It was a life-changing week of intense and focused work with an incredible group of mentors and fellow budding filmmakers.”
